

8x8 Virtual Meeting

8x8 Virtual Meeting is a flexible online conferencing solution that turns ordinary phone calls into productive meetings. You can use it anytime, anywhere, with any web browser! 8x8 Virtual Meeting does not require plug-ins or downloads, giving you the flexibility to conduct meetings whenever convenient—even when you're on the go.

8x8 Virtual Meeting makes it easy to:

- Meet with customers and colleagues across the globe
- Deliver sales presentations and demos
- Hold training classes

Choose the right format for your business needs

Not every meeting has the same requirements, and 8x8 understands this. With 8x8 Virtual Meeting you can hold audio-only, audio and online, or online-only meetings, providing the flexibility your business needs. Enhance collaboration and increase impact when you and your participants use your webcams to share video.

Simplify meetings for participants

8x8 Virtual Meeting is designed to make creating, managing and accessing meetings simple for all participants. For example, you can provide flexible dial-in numbers, including different US area codes, international numbers, and toll-free numbers, depending on where participants are located.

Enjoy the powerful features of online conferencing at a fraction of the cost

8x8 Virtual Meeting can help your business save money and present a more professional image. How can your business get more for less? 8x8 Virtual Meeting provides the essential features of online conferencing at a fraction of the cost of many of the most popular solutions found today.
